Subject: Veterans Home of California - Chula Vista Survey Report

The VA San Diego Healthcare System survey team conducted a review, from December 1 to 5, 2008, of the Veterans Home of California - Chula Vista, a 220 bed domiciliary and 180 bed skilled nursing facility.

We would like to thank you and your staff for your cooperation during the survey process. Based on written approved policy statements, discussions with the Home's staff, and a survey of the facility, I am pleased to inform you that all of the VA standards have been met.

If you have any questions, please contact Mr. Carvajal at 619-400-5012.

Sincerely,

Cynthia E. Abair, MHA
